

Dear Sacred Heart Pymble,

On behalf of Football Federation Australia, I would like to congratulate you on achieving your Level 2 Accreditation as part of the National Club Accreditation Scheme.

Grassroots clubs are the shopfront of Football in Australia and play a critical role in the experience provided to Players, Coaches and Volunteers.

The National Club Accreditation Scheme assists clubs to help raise standards across a number of key areas such as:

- Coach Education
- Club Governance; and
- Volunteer Development

By gaining a Level 2 Accreditation, your club has taken yet another step towards achieving best practice in these areas and identified the need to continuously improve and provide the best environment for your players and members. Your club has also put itself in a better position to retain and recruit players, attract sponsors and attract volunteers. In recognition of your achievement, please find attached your Level 2 Accreditation logo.

Your Member Federation will formally present you with your Accreditation certificate which you can proudly display at your club.

To continue your progress in club development, be sure to visit the 'For Clubs' area at www.myfootballclub.com.au

We look forward to working with you in the future in continuing to develop and grow our game at the grassroots.

Kind Regards,
